

# Best Buy Education Dual-Funded Program

---

Your school has selected Best Buy Education to support their district technology strategy. As part of that plan you will have the **option to purchase your student a device through Best Buy.**

Your district is funding **\$100** tech fee in the form of a discount code to be applied toward the purchase of your student's device.

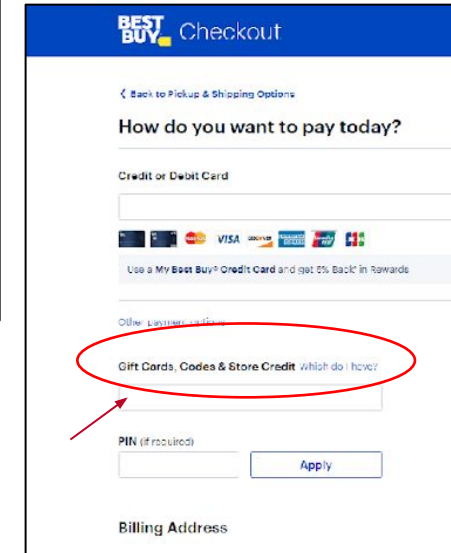

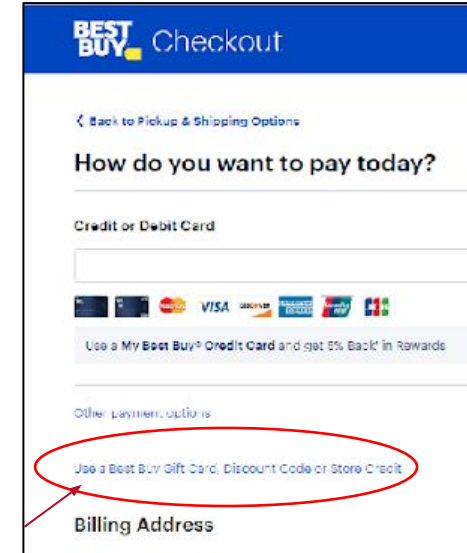

**Prior to purchasing**, you will need to obtain your student's one-time use discount code by emailing [wmtechnology@wm.k12.mn.us](mailto:wmtechnology@wm.k12.mn.us). This code may only be used for students in grades 5-12 and are only good for the devices listed on the subsequent pages.

- If you have more than one child in grades 5-12, you may request a code for each student in one email. **When requesting, please list each student, as well as their grade level and student number.**
- **Students are only eligible for purchase once every four years.**

# Best Buy Education Dual-Funded Program

Here are the steps to quickly and easily purchase your student's device through Bestbuy.com:

1. Review the device options (see next slides)
2. When you are ready to purchase, click on the link of the selected product and add to your cart
3. Shop for additional warranties and add to your cart to purchase
4. After purchases are selected, proceed to checkout. At checkout create or use your *My Best Buy* account or check out as a guest.
5. Apply your discount code in the *gift card, codes and discount code* field during the checkout process. See screenshots on how and where to apply code . Once the code is applied, you will see the savings. This code will only work one time and only on the devices listed on the next slides
6. Check out with discount code, payment and shipping/store pick up preferences
7. Enjoy your purchase!

For any post-order support, please contact 1-888-237-8289 and reference your order number.
